Match Director

The December weather didn't cooperate with us this year. We had expected a larger than normal turnout with cowboys wanting to get in one last practice before The Last Stand, but I don't blame those Pard's for not making the shoot. For those that did make it we had a pretty good shoot even with the nasty weather (Not as bad as Last Stand last year). Thanks to Arcadia Outlaw for writing the stages for the last two shoots, we had a lot of good comments on the scenarios. A big thanks to Jersey Bird, Wabash Valley Slim and Nellie Belle (from Georgia) that helped setting up on Friday. My posse was one of the last to finish so I didn't see who all helped tear down after the match but a big thanks to you all as well.

A year in retrospect

2010 started off great, our "Ides of March" was the largest ever, over 175 shooters total. We had good weather for that right up to the last stage. We hope for better this year. We started having an Introduction to CAS" on the second Sunday. This has helped us get new shooters for CAS and know that they are ready for a match. We think this has helped the shooter and been better for the posse. We started having Wild Bunch matches on the fifth weekend and had pretty good turnout for those matches. We had our "Second Annual Multi-Club Match" attended by 98 Shooters. That's as big as some annual matches and as big as some State matches we have seen. The great thing from that match was that the Pistoleros gave the proceeds of the Match \$700 to the 4-H Target Teen program at Eustis Gun Club. We hope this helped more of their shooters attend State and National competitions. To wrap up the year we collected 140 pounds of food (the way the food bank measures it) and \$200 in cash for those less fortunate than us. This says a lot for the cowboys we have in this organization. As we look forward to next year we can only hope to do as well.

The Lake County Pistoleros has a great committee; we are all dedicated to CAS and making all of our matches a "Must Attend Match".

One last thing for next year we are pleased to announce that The Pistoleros will be hosting the Florida State SASS Wild Bunch Championship in October 2011. This gives ya plenty of time to start practicing. We will start having an article dedicated to the Wild Bunch in the newsletter.

I hope everyone has had a good year and until next time be careful out there
