Match Director, Half Breed

On Vacation - Will return next month – in the interim

Halfbreed did some excellent stage writing before he left on vacation this week. I think most everyone enjoyed hunting turkeys. They were flying fast and furiously over the stages. Reminds me of the Ides of March two years ago when a turkey was sitting on top of the wood barrier in the pocket berms during the match. Now, I have heard that turkeys are really dumb...this confirmed my suspicions. The discussion consisted of ... would it be a match DQ if the turkey was shot and fell forward into the berm? Technically the shot wouldn't have gone over the berm because the turkey fell into the berm. But alas..... the turkey was safe, only to gobble another day.

Congratulations to Shoulda Dun Gun for winning the Publix Gift Certificate. So I guess he was "Turkey for a Day". Not to be out done was Bronco Lady who won the "Stuffing Award."

We had our mover up and running this month. It will open a new dimension in our stage designs. Everyone seemed to like it. It was designed to be used with most of our targets, so it can take on a different look everytime we use it.

We would like to thank everyone that helps with set up and tear down. Without your help this club wouldn't be what it is today. I know we can never say thank you enough.

Our snow birds are coming back. It is great to see our old friends returning this time of year.

We loved hearing the wonderful comments about the range. Eustis Gun Club is very supportive of the Cowboys and we are very fortunate to have such a great working relationship with them. If you see a Eustis Gun Club officer please thank them for their support.

Till next time.....
